

5 Ways To Improve Graduate Admissions Practices

- Assemble a diverse search committee that understands and respects cultural differences and the importance of diversity and inclusion.
- Keep and review your admission and retention statistics.
- Be mindful of unconscious bias and assumptions that impact the evaluation of applicants
- Consider the misuse of GRE scores and how that can lead to the goals of diversity and inclusion being undermined.
- After the admissions cycle, review what works and what doesn't work in your admissions practices.
