

February 10, 2023

Hello Nanofab Users and PI's:

Here are the ASRC Nanofab lab updates for this week. Happy Lincoln's birthday and enjoy the long weekend if you have the day off!

Upcoming Lab Holidays - After Hours Access Required

- Monday, February 13th, 2023 - Lincoln's Birthday
- Monday, February 20th, 2023 - Presidents Day

The above days are holidays and Nanofab staff will be off. After hours access is required to access the lab on these days. Please plan accordingly, and be especially mindful of all safety procedures if working on these days.

Call for Papers

If you have published a paper in the last year where the devices were fabricated at the ASRC Nanofabrication Facility, please email sroberts@gc.cuny.edu with the reference. This information is important when we apply for funding, but additionally we would like to celebrate your success, and acknowledge these publications in future newsletters.

Please Reference ASRC Nanofab in your Papers

When publishing or presenting results derived from staff and services in ASRC Nanofabrication Facility, please use the following acknowledgement:

"This work was performed in part at the Nanofabrication Facility at the Advanced Science Research Center at The Graduate Center of the City University of New York."

This concludes the ASRC Nanofab updates. Have a great weekend!

Nanofab Staff
